

Cleanse, LLC
Payment Agreement & Schedule

All clients are expected to cancel scheduled appointments at least 48 hours prior to their scheduled appointment time. A client who fails to cancel 48 hours prior to his/her appointment, or misses his/her appointment altogether, will be charged the full fee for a colonic.

Each client is expected to pay fees in full at the time services are provided. Clients will be charged a \$25.00 fee for returned checks.

A client who purchases a package of colonics and subsequently requests a refund on the remainder of the package will lose the discounted rate associated with that package. The colonics already provided in that package will revert to the fee per single colonic of \$65.00, and will be subtracted from the original package price.

I, _____, understand and agree to abide by the above policies.

Please note: Cleanse, LLC will put your file on "inactive status" 6 months after your last session with us. Once your file has been put on inactive status, you will need to fill out your forms as if you were a new client, if you wish to continue treatments. To avoid inactive status, try not to allow more than a season/3 months go by in between colonic sessions. If you are not able to come in during that time period, call our office and ask to remain in "active status."
